## Request for Qualifications

**Q & A 43 – Via Email**

**11/06/17 6:00 am**

---

Note: Even though Q43 was submitted past the Technical Assistance deadline, because of its urgent nature, the Department is providing an answer.

**Q43:** In reviewing the Q & A for October 24th, Q12 states the RFQ will be amended to reflect the requirement of a 24-month budget to be prepared.

In looking over the list of attachments regarding the budget, no new budget spreadsheet has been posted. The budget Summary Sheet is only 12 months, and there are not enough columns to cover 24 months, only 17, which would throw it off balance.

Will the City be providing a new budget sheets to work from?

**A:** **No. Please complete two (2) sets of Budget Forms 2 - 8 and mark each Year 1 and Year 2, respectively. The city will combine the “Total City Share” on Budget Form 3 – Budget Summary, for Year 1 and Year 2 as the bidder’s funding request for a twenty-four (24) month period.**

**The combined total funding requested by the bidder for Year 1 and Year 2 must not exceed \$200,000, as stated on p. 9 of the RFQ in Section 2.4, “Source of Funding, Amount of Funding.”**
