This bulletin is effective on date of issue.

PURPOSE
The purpose of this Information Bulletin is to provide current LA BusinessSource Center Program subrecipients with a Request for Contract Renewal (RFCR) package for Program Year 2018-19 (PY18-19). This RFCR package sets out program requirements and identifies documents that must be submitted in order for agreements to be renewed for the new program year.

Until the Mayor and City Council approve the Consolidated Plan and an executed agreement is on file with the City Clerk, the Economic and Workforce Development Department (EWDD) cannot release funds to the LA BusinessSource Center Program subrecipients for the 2018-19 program year. Your agency therefore will assume prudent risk for any and all allowable program expenditures incurred after March 31, 2018. Submission of a renewal request does not constitute a guarantee of funding for PY18-19. The decision to fund any organization beyond March 31, 2018, rests solely with City and is based on availability of funds and Mayor and City Council approval of the 44th Program Year Action Plan for 2018-19.

The submission deadline for the items requested in this part of the renewal package is 5:00 p.m., Friday, March 29, 2018.

An original application, with original, wet signature, along with two (2) complete copies of the same One (1) electronic copy and One (1) paper copy, must be hand or courier delivered to the address appearing below. Individuals who hand-deliver the application will be issued a receipt for the submission. The original of the submitted application will
be date and time stamped.

Hand delivery of applications after 5:00 p.m. on the deadline date will be noted as an administrative capability issue during the performance evaluation process. Contractors may also experience a delay in contract execution and release of funds. The City reserves the right to reject submittals received after the deadline. Contract execution is contingent upon contractors submitting all corporate and contract-related documents on or before the due date indicated.

This RFCR is being released and may be downloaded from the Economic and Workforce Development Department (EWDD) website at: http://ewddcity.com/index.php/businesssource-system-bulletins and e-mail.
