DATE: September 15, 2014

TO: All EWDD Work Source, One Source, Business Source, and Day Labor Operators

FROM: Catherine Bondoc, Director
Financial Management Division

SUBJECT: FMD INFORMATION BULLETIN 14-04-15-002
IDENTIFICATION OF CFDA NUMBER

PURPOSE:

This information bulletin is to provide an updated list (See Attachment) of the Catalog of Federal Domestic Assistance (CFDA) numbers of the various federal grant programs administered by the Economic and Workforce Development Department.

BACKGROUND:

The identification of the CFDA number is required by 2 CFR § 176.210(c). Accordingly, EWDD hereby provides a partial listing of CFDA numbers with the corresponding Federal grantor and program name for your information and reference. A complete listing of CFDA numbers maybe obtained from the website, www.cfda.gov.

The Catalog of Federal Domestic Assistance (CFDA) is a government-wide compilation of Federal programs, projects, services, and activities that provide assistance or benefits to the American public. It contains financial and non-financial assistance programs administered by departments and establishments of the Federal government. Each program is assigned a unique number by agency and program that follows the program throughout the assistance lifecycle enabling data and funding transparency. The complete CFDA number is a five-digit number (e.g., 12.345) where the first two digits represent the Funding Agency and the second three digits represent the Program.

REQUIREMENT:

This CFDA identification requirement applies both to EWDD in awarding to subrecipients and to lead agencies when awarding to their subcontractors, if applicable. EWDD will indicate the related CFDA number(s) in all contracts with the City. Lead agencies are required to do the same.

Furthermore, CFDA numbers must be correctly stated on the Schedule of Expenditures of Federal Awards in the annual single audit report based on OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations. Otherwise, we will issue a deficiency letter upon completion of our review of your single audit report.

If you have any questions or need technical assistance, please contact your assigned EWDD FMD Analyst.
