SUBJECT: WDS INFORMATION BULLETIN NO. 14-18
CALJOBS-PHASE 1B IMPLEMENTATION – REVISED DATE

EFFECTIVE DATE
This bulletin is effective upon date of issue.

PURPOSE
The purpose of this bulletin is to announce the revised implementation date of the new CalJOBS data collection system. The new implementation of the Workforce Investment Act (WIA) module (Phase 1B) of the system is scheduled for Monday, May 5, 2014.

BACKGROUND
The State will replace the existing Job Training Automation (JTA) system with the WIA component of the CalJOBS system. For a variety of reasons, the implementation date has been delayed.

REQUIRED ACTION
All contractors should continue to report/store participate date on EDD forms until the new CalJOBS system is made available for use. In order to reduce the data entry backlog, the City will be developing an interim plan to facilitate data entry into the State JTA system and maximize performance outcomes.

Prior to the scheduled CalJOBS implementation date, the City will release further information and guidance.
