OPERATING ENGINEERS TRAINING TRUST LOCAL 12 APPRENTICESHIP
PROGRAM – APPLICATIONS OPENING JANUARY 22, 2018

EFFECTIVE DATE
This information bulletin is effective upon date of issue.

PURPOSE
The purpose of this information bulletin is to advise the WorkSource Centers (WSC) and
YouthSource Centers (YSC) that Operating Engineers Training Trust Local 12’s
Apprenticeship Program will begin accepting applications starting January 22, 2018 and
closing February 7, 2018 at midnight.

BACKGROUND
Operating Engineers Training Trust Local 12 (OETT) will begin accepting applications for its
Apprenticeship Program on January 22, 2018. The application period closes February 7, 2018
at midnight.

The OETT Apprenticeship Program only opens every two years. As women are
underrepresented in the construction field as Operating Engineers, OETT is specifically
targeting women to apply to its program. They offer on-the-job training, and as stated on the
flyer, the first step will earn 60% of Journeyperson wages, which are currently $28.00 per hour.
Please note that men are also welcome to apply for the program.

Interested candidates can go to www.oett.net for more information, or contact Renee
Gadberry, OETT Instructor, at (562) 254-4159.

Please see the attached flyer for basic eligibility requirements and other additional information.
Please also share it with your worksource clientele.
