III. **Collaboration**

   In addition to funding from the Workforce Innovation and Opportunity Act (WIOA), the EWDD also administers monies proceeding from a variety of other sources.    The EWDD also collaborates with the Los Angeles Unified School District (LAUSD) and has provided funding for the placement of Pupil Services and Attendance (PSA) Counselors in each of the YouthSource Centers to identify out-of-school youth and target them for services. The LAUSD PSA Counselors will work with the YouthSource Centers, coordinating with case managers to access all LAUSD educational programs, specialized educational activities, and support programs.
It is EWDD’s goal to manage these funds and the delivery of services for City residents as an integrated, seamless service delivery system. The EWDD expects that you will collaborate with the PSA Counselors and these other programs within your area. The lists of WorkSource, FamilySource, BusinessSource, Specially Targeted, Domestic Violence, and Day Labor Centers will be provided upon request. During the year your program analyst will follow up regarding your collaboration.
