This bulletin is effective upon date of issuance.

PURPOSE:
The purpose of this bulletin is to notify WorkSource Centers (WSC) about the Homeless Service Professionals Job Fair of Los Angeles on September 26, 2018 at Los Angeles Valley College.

BACKGROUND:
Due to the significant increase in funding from Measure H to fund homelessness services, there are now over 1,000 open positions across the homeless service delivery system in the Los Angeles area.

As a result, the Office of Mayor Garcetti, the City's Workforce Development Board (WDB), the Economic and Workforce Development Department (EWDD), the L.A. Homeless Services Authority (LAHSA), the L.A. County Homeless Initiative, United Way of Greater L.A. (UWGLA), the County's Workforce Development, Aging and Community Services (WDACS), and the L.A. region's five California State Universities (CSU5) are hosting the third Homeless Service Professionals Job Fair of Los Angeles. This event is part of a sequence of hiring fairs to assist homeless service providers to fill these positions in an effort to help end the homelessness crisis.
