SUBJECT: WDS DIRECTIVE NO. 18-06
"LOS ANGELES RECONNECTIONS CAREER ACADEMY 2.0"
MIS AND INVOICING GUIDELINES

EFFECTIVE DATE
This directive is effective upon date of issue.

PURPOSE
The purpose of this directive is to set forth the MIS and invoicing guidelines for the City of Los Angeles “Los Angeles Reconnections Career Academy (LARCA) 2.0" contracts.

BACKGROUND
LARCA 2.0 will provide members of the plaintiff class in the case of “Rodriguez vs. the City of Los Angeles” with a Jobs and Education Program including work readiness and employment services in preparation for entering the workforce, apprenticeship programs, and vocational training opportunities leading to available employment in high demand industries. Participants will receive career counseling, case management, support services, employment readiness, vocational training and education, subsidized employment and employment services through the program administered by the EWDD. The program will be reviewed annually by a third-party evaluator, California State University Northridge, to ensure it is providing appropriate services to program participants.

The City will contribute a minimum of $1.125 million and up to a maximum of $7.5 million per year, over a four-year period. The LARCA 2.0 service providers include procured City of Los Angeles WorkSource Centers (WSC) and Los Angeles Regional Initiative for Social Enterprise (LA:RISE) service providers. The average estimated expenditure per participant is approximately $10,000. Participants may receive up to $1,000 in the form of stipends pursuant to completion of their educational and training milestones and up to $1,000 in support service funds to address barriers to employment or retention of current employment. All eligible participants will be pre-approved through the court-designated claims administrator. The initial contract term for LARCA 2.0 will be retroactive from June 1, 2017 to May 31, 2018.
MIS GUIDELINES
As the source of monies are local funds, participants are NOT to be co-enrolled into the City’s WIOA Adult and Dislocated Worker programs or other special grants without the express written authorization of the City. However, if the individual is already receiving services through a City funded grant like LA:RISE or WIOA, s/he is still eligible to receive additional services through this program. The individual should not receive duplicate services; nor should the service provider seek reimbursement for services already provided through other programs. Co-enrollment will require approval from the City.

For purposes of tracking participant activities and outcomes, the service providers are to use Grant Code 554 for the for LARCA 2.0 program.

As discussed in training sessions and as delineated in the instruction below, case managers are required to input the following five specific activities in order to enroll participants.

- 101 – Orientation
- 102 – Initial Assessment
- 226 – Reading and/or Math Testing
- 205 – Development of IEP/ISS/EDD
- 109 – Referred to a Community Resource

*Note: Agencies should complete Enrollment/Orientation, the Initial Assessment, the Skills Assessment, and the Individual Employment Plan within 30 days of the enrollment date. Activity Code 109 “Referral to a Community Resource” is to be used to avoid the record from soft exiting during the life of the program (must use end date of May 31, 2021).*

The MIS Unit has provided the following instructions on how to properly report the Local Grant Code and activities into the system for the LARCA 2.0 program. The attached LARCA 2.0 JobsLA Reporting screenshots can be used a reference for these instructions.

1. **Search for the individual.**
   a. If the individual is already enrolled in the system, please contact the LARCA 2.0 Unit staff for further instructions.

   b. If the individual does not match your search criteria, complete the registration form by these steps:
      - Return to “Services for Workforce Staff”
      - Select “Manage Individual”
      - Select “Create an Individual”
      - Complete the Registration Form

2. **Create the WIOA application**
   Once the Registration Form is complete, staff should Create the WIOA application by following these steps:

   - Return to the “Services for Workforce Staff”
   - Select “Manage Individual”
   - Select “Assist an Individual”
   - Go to WIOA Program tab
   - Click on “Create WIOA Application”

   - Go to "Non-WIOA Grants"
   - Select "Local Funded Grants" then select "Yes"
   - Scroll to the Grants Section and select "View Available Grants"
   - All the Local Grants will be available. Click "Add" LAI554 LARCA 2.0"

While each Activity Code should accurately reflect a Projected End Date, four of the required initial Activities Codes (101 – Orientation; 102 – Initial Assessment; – 226 Reading and/or Math Testing; and – 205 Development of IEP/ISS/EDD) must have a closed date matching the Begin Date.
   - Complete the rest of the fields
