#### PROGRAM HIGHLIGHTS

Hire LA's Youth is one of the City's most exciting programs to put young adults to work, ensuring they have "first time" job experience that will set them on the path of lifetime earners. This year we are committed to providing 15,000 jobs for young people ages 14-24, who live in the city of Los Angeles.

#### THIS PROGRAM BENEFITS ALL ANGELENOS

Thousands of motivated young job seekers apply each year hoping for a summer job opportunity and Mayor Eric Garcetti and our workforce partners are determined to put 15,000 young people to work this summer with the goals of

- Preparing young adults for the 21st Century workforce in the city of Los Angeles.
- Engaging youth in positive activities during summer.
- Partnering with the city's business community.
- Developing long-term employment opportunities for L.A.'s youth.

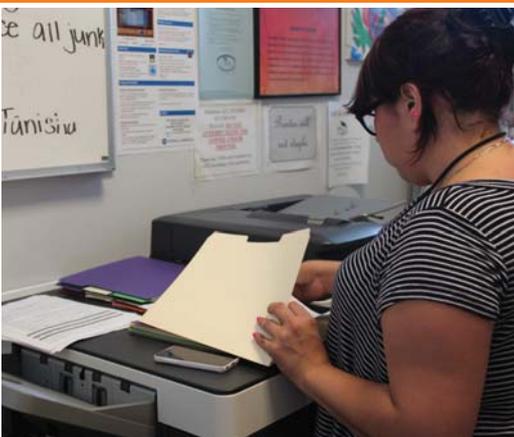

#### HIRE OR SPONSOR

Here's what you can do to help a young person learn and grow through a job this summer.

- Sponsor an internship for a youth through a \$2,200 pledge to the program.
- Offer supervised work for a youth at your workplace through a subsidized internship.

#### WHO RECRUITS YOUNG PEOPLE?

Youth are recruited through local schools; the City's Workforce Development System; the Community College District; community organizations. In preparation for job placement, youth are given the opportunity to earn a Work Readiness Certificate endorsed by the LA Area Chamber of Commerce, the City Workforce Development Board, and the Professionals in Human Resources Association (PIHRA). Program participants also are offered financial literacy training during their program enrollment.
