SCHOOL NURSE HIRING EVENT – FEBRUARY 11 - 12, 2020**

EFFECTIVE DATE

This information bulletin is effective upon date of issuance.

PURPOSE

The purpose of this information bulletin is to advise the Los Angeles Workforce Development System (WDS) that the Los Angeles Unified School District (LAUSD) will conduct a two-day interview session, "School Nurse Hiring Event," on February 11 and 12, 2020 at Los Angeles City College (LACC). The event opportunity is a joint partnership between the Office of Los Angeles Mayor Eric Garcetti, LAUSD, UNITE-LA, Health Workforce Initiative, CSU5, L.A. City College and its foundation, and the City of Los Angeles Workforce Development System.

BACKGROUND

On January 22, 2019, LAUSD and United Teachers Los Angeles (UTLA) entered into a tentative agreement to combine their 2014-2017 and 2017-2019 contracts into the 2019-2022 Agreement, which will contain additional amendments as outlined in the signed document. Article XVIII, "Class Size & Staffing," of the document states that school nurses will be provided to every school in the district. A draft Memorandum of Understanding attached to the 2019-2022 Agreement also states that 150 full-time nurses will be hired for the 2019-2020 school year, and another 150 for the 2020-2021 school year.

The School Nurse Hiring Event will consist of pre-scheduled interviews for eligible applicants. The purpose is to find qualified, caring nurses who enjoy working with children and are self-starters. **Registration at [LANurses.Eventbrite.com](https://www.eventbrite.com) is required.**

Eligible candidates will be required to have the following: 1. Bachelor's Degree (BA or BS); and 2. Registered Nurse License. Candidates may register to be interviewed if they expect to receive their degree/license within a few months. More details on eligibility may be found here: <https://tinyurl.com/y2g8uo8h>.

This WIOA Title I financially assisted program or activity is an equal opportunity employer/program.
Auxiliary aids and services are available upon request to individuals with disabilities.

Eligible candidates will be scheduled for a 45-minute interview between 9 a.m. and 5 p.m. on one of the two days. The starting salary range for school nurse is \$53,535 - \$84,995 (for 180 working days with traditional school holidays, including summer break), and includes fully paid LAUSD benefits for employees and dependents.

The School Nurse Hiring Event will take place as follows:
