As you know, the COVID-19 outbreak has quickly and substantively impacted all of our lives. However, I would like to assure you that Mayor Eric Garcetti, the Economic and Workforce Development Department (EWDD), and the City's other departments are doing everything possible to ensure the safety of our residents and partners.

The WorkSource Centers (WSC) and YouthSource Centers (YSC) are valued partners of the EWDD and the City, and as such, we are offering the following information and guidance for you to help insure employee and client safety and continuity of service. Attached is the March 12, 2020 COVID-19 City Guidelines memorandum from Mayor Eric Garcetti to all City Department Heads. EWDD is requesting that all WSCs and YSCs continue operations following the California Department of Public Health Guidelines outlined in the Mayor's memo. Also, at this time, in accordance with the Mayor's memo, EWDD is postponing all major events, including job fairs and workshops until further notice.

If you have any questions regarding this bulletin, and/or in the event that you decide/have been advised to close your WSC or YSC due to COVID-19 concerns, for WSCs, please immediately contact Donny Brooks at 213-744-9093 and Donny.brooks@lacity.org and for YSCs, immediately contact Makeda Vela at 213-744-7345 and Makeda.Vela@lacity.org
